Stewardship

THE PRIEST OF THE FAMILY

Who is our priest of our family and what should he be doing? Let us uphold the fathers in our families and unite in family worship without murmuring. "The father is in one sense the priest of the household, laying upon the altar of God the morning and evening sacrifice. The wife and children should be encouraged to unite in this offering and also to engage in the song of praise. Morning and evening the father, as priest of the household, should confess to God the sins committed by himself and his children through the day. Those sins which have come to his knowledge and also those which are secret, of which God's eye alone has taken cognizance, should be confessed. This rule of action, zealously carried out by the father when he is present or by the mother when he is absent, will result in blessings to the family." Adventist Home p. 212.

We never outgrow our need for Fathers

Because we are never too big for Fathers to stop holding us, nurturing us.

That's the character of a Father.

Even Jesus, King of Kings, our Lord

Bowed and cried, Abba, Daddy, Father.

Today we thank our heavenly Father for giving us the gift of earthly Fathers.
